Vijay Kumar Srivastava

Target Role: React Native Developer Intern

Noida | +91-9807969454 | vijay.kr809@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Enthusiastic software engineer with a strong foundation in React Native, TypeScript, and JavaScript, coupled with hands-on experience building cross-platform mobile interfaces and integrating RESTful APIs. Proven ability to debug UI rendering issues, optimize component lifecycles, and maintain high code quality through automated testing and rigorous code reviews. Eager to contribute to a fast-moving startup environment, learn new cloud stacks, and grow through mentorship and real-world product ownership.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript Mobile Development: React Native Frontend: React, Redux, Context API Backend & APIs: Node.js, REST Testing & CI/CD: Cypress, Playwright, Git, Jira Tools & Platforms: VS Code, Git, Agile Sprints

PROFESSIONAL EXPERIENCE

Ksolves India Ltd. – Noida, Uttar Pradesh

Senior Software Engineer (Dec 2020 – Present) • Designed and delivered responsive cross-platform mobile interfaces using React Native for the Hospitality Management project, translating complex UX requirements into functional screens for both patrons and staff. • Integrated mobile application state with external backend services via REST APIs, ensuring smooth data flow and secure communication. • Actively debugged UI rendering issues and optimized component lifecycles to maintain performance across diverse device dimensions. • Led a 4-engineer pod in Agile sprints, translating product requirements into technical epics and sprint tickets, and ensuring continuous team velocity. • Enforced >80% automated test coverage, orchestrating QA workflows alongside feature development and conducting rigorous peer code reviews. • Modernized the testing architecture by implementing Playwright for new application features while maintaining legacy Cypress suites.

Software Engineer Intern (May 2020 – Nov 2020) • Rapidly acquired proficiency in modern frontend frameworks and engineering best practices, earning a full-time offer.

KEY ARCHITECTURAL PROJECTS

- Cross-Platform Hospitality Management (React Native, TypeScript) • Built end-to-end mobile screens, integrated with REST APIs, and ensured stable performance across devices.
- Enterprise Learning Integrations (React.js, Redux, Context API) • Developed complex React.js UI components for cross-platform integration widgets used in Microsoft Teams, GSuite, and ServiceNow.

- MindFul Scrolling (Kotlin, Android) • Implemented a digital wellbeing utility with Android Foreground Services and UsageStatsManager.

EDUCATION

Bachelor of Technology (B.Tech), Computer Science & Engineering – Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow, 2020 Diploma, Information Technology – Board of Technical Education Uttar Pradesh (BTEUP), Lucknow
